WE DESIGN YOU DIG

Lincoln Park Nursery is now offering a design option for those homeowners that want to install their own landscaping but need a little help selecting the best plants. If you are looking to update what you already have or renovating, our staff can help you with that graphic design to fit your budget.

Completed front landscape

GETTING STARTED

In order to help complete your vision our designer will need the following:

- 1) Photos of the area (s). *Front photos work the best*
- 2) Measurements of the area or existing beds you want to landscape or update. (length ,width ,depth)
- 3) Exposure of the area. Does it face North, South, East or West. Shade, Part Sun or Sun.
- 4) Do you have any Deer, Rabbit or Other . Downspouts, spikets ,meters ,other. Explain

NEXT

Only a \$50.00 deposit is required! When you purchase 90% or more of the materials in your design, you will receive a \$55.00 credit. Simply complete the questioner, attach your photos and drop off, mail or email your information with your deposit. Our designer will contact you to discuss your landscaping preferences. When your design is completed, you will receive a call or email from our office. This usually takes about a week. You may come in at any time during store hours and one of our nursery staff can help you select your plants and materials for your project. Delivery can also be arranged *Note- Please let us know which location you will be going to so your plans are there.
